NOTICE

PUBLIC HEARINGS ON REGIONAL APPROVAL OF MUNICIPAL PLANS

In accordance with VSA Title 24, Chapter 117, the Northwest Regional Planning Commission (NRPC) will hold public hearings to receive comment on the requests for a determination of energy compliance of the Montgomery Municipal Plan and requests for regional approval and a determination of energy compliance of the Bakersfield Municipal Plan. As stated in Title 24, Chapter 117, the Regional Commission shall approve municipal plans if it finds that they are consistent with the criteria of Section 4350 and shall provide a determination of energy compliance if it finds that municipal plans are consistent with the criteria of Section 4352 and standards established by the Vermont Department of Public Service.

Pursuant to Title 24, Chapter 117, Sections 4350 and 4444, NRPC will also consider the planning processes of Bakersfield, specifically whether the processes meet the requirements of confirmation as stated in Title 24, Chapter 117.
